

# Do Your Washrooms Result in Happy Campers?

**The standard of washroom facilities leaves a lasting impression on the paying guests at Caravan and Camp Sites. How often is an otherwise excellent site let down by a poor quality washroom block? Customers today are more demanding and will vote with their feet if everything is not up to standard.**

**And yet good washroom cubicles need not cost the earth.**

The correct choice of product can give years of reliable service, retaining that "as new" appearance. Tenon Washrooms have launched the new Premier Range of systems, offering the ideal choice for Caravan and Camp Sites.

## Premier Leisure Range

WC cubicles	Vanity units
Lockers	Changing cubicles
Shower cubicles	Wall panelling

## Standard Tube Colours

Lime Green	
Ultramarine	
Traffic Red	
Traffic Yellow	
Heather Violet	

Other colours available

## Premier Leisure

Offering stunning new contemporary design, Premier Leisure is also practical. The system features a robust tubular steel frame for the head rails and support legs for maximum strength, ensuring long life.

The frame is available in five vibrant colours with co-ordinating finger plates. Partitions and doors come in a complementary grey, constructed from tough solid grade laminate which is specifically designed for wet and humid environments. Heavy duty furniture and fixings are supplied as standard. Impervious to cleaning chemicals and bacteria, Premier Leisure can be hosed clean, ensuring years of reliable service.

- › Stunning contemporary design
- › Tough and durable construction
- › Easy to hose clean and maintain
- › 5 Year guarantee\*
- › Suitable for wet, humid, hot and cold conditions
- › Disability Discrimination Act compliant layouts available

\* 5 year guarantee subject to installation by an approved installer

## Premier Plus

Offering traditional design with a sophisticated twist, Premier Plus provides a stylish solution to any washroom design. A choice of three soft pastel door colours perfectly complement the neutral grey partitions and chrome grey stylish head rail and accessories.

The high impact resistant solid grade laminate construction is guaranteed for 5 years\* and is impervious to cleaning chemicals or bacteria, making cleaning easy. Premier Plus is suitable for wet and humid conditions. It is not affected by extreme hot or cold temperatures and is therefore ideal for washroom blocks all year round. Heavy duty furniture and fixings are supplied as standard to complete a durable, attractive washroom solution.

- › Stylish traditional design features
- › Long life, tough and durable materials
- › 5 Year guarantee\*
- › Hose clean design, resistant to bacteria
- › Suitable for wet, humid, hot and cold conditions
- › Disability Discrimination Act compliant layouts available

\*5 year guarantee subject to installation by an approved installer.
